

Mystic River Watershed Steering Committee
September 10, 2020
10 AM – 12 PM

Theme: Trash Free Mystic

All attendees must pre-register to receive the Zoom link; please register at https://docs.google.com/forms/d/e/1FAIpQLSeqaPjtw6TK-qie77XOPIRrUsGUsX1qo7OG4qqVDYI6Vs7qLw/viewform?usp=sf_link

Agenda

Meeting Purpose: Provide an opportunity for participants to learn about and discuss trash reduction efforts in the Mystic River watershed, including current trash-free initiatives on land and in the river. Presentations will include information about ongoing national, regional, and local efforts, including modifications being made in light of the covid-19 pandemic.

9:45 AM Technology Check

All are welcome to get onto the zoom early if they want a quick tutorial on how the webinar platform works or to test their video and audio.

10:00 Welcome and Introductions *Mel Côté (EPA)*

10:10 Moving Toward a Trash Free Mystic

Presentations on national, regional and local initiatives to reduce trash in the Mystic
Caitlyn Whittle (EPA)
Layne Marshall (EPA)
Andy Hrycyna (Mystic River Watershed Association)
Lise Marx (MWRA)
Ellie Hunt and Zayn Yousuf (Medford High School)

11:10 Discussion: Trash Reduction Work in the Mystic

In small groups, participants will share feedback on the trash free initiatives and indicate opportunities for additional collaboration and support.

11:45 Announcements, Updates, and Funding Opportunities

Hear updates from colleagues and bring your own announcements to share.

11:55 Wrap Up and Next Steps

12:00 Adjourn
