

Mystic River Watershed Steering Committee
April 12, 2018
10:00am-12:00pm

200 Rivers Edge Drive, Medford, MA

Agenda: Malden River Focus

- 10:00am** **Greetings and Introductions**
- 10:10** **Malden River Vision Plan** – *Amber Christoffersen, MyRWA*
Presentation on the collaborative effort of the Cities of Malden, Medford and Everett with the Mystic River Watershed Association to engage the public and evaluate opportunities for connectivity and park improvements.
- 10:30** **Malden River Ecosystem Restoration Project at Oxbow** – *Adam Burnett, U.S. Army Corps of Engineers*
Presentation on the proposed aquatic ecosystem restoration project being designed and funded by USACE and local sponsor – Mystic Valley Development Commission. The project will involve wetlands construction and restoration in the oxbow vicinity in Everett and Medford.
- 10:50** **Predictive Bacteria Modeling and Sediment Study** – *Andy Hrycyna and Patrick Herron, MyRWA*
Presentation of the results of the recent predictive bacteria modeling effort and an update on the sediment study.
- 11:10** **Update from Friends of the Malden River** – *Karen Buck, Friends of the Malden River*
Presentation on recent activities and future plans for the Friends of the Malden River. Discussion about opportunities to enhance coordination between the Friends of the Malden River and the Mystic River Watershed Initiative.
- 11:30** **Committee Business, Next Steps & Wrap Up**
- 2018 Steering Committee meetings will be held on June 14, September 13, and November 2.
- 12:00pm** **Adjourn**

The Steering Committee Meeting is being held at 200 Rivers Edge Drive Medford, MA. For those driving, there is a parking garage on site with available parking. The site is a 10-minute walk from the Mystic Wellington Orange Line T Station.
